---

## RESEARCH EXPERIENCE

2005-present Doctoral Student/Research Assistant, Personality, Psychopathology, and Psychotherapy  
Laboratory, Pennsylvania State University  
Principal Investigator: Kenneth N. Levy, Ph.D.

Participating in grant-funded research examining attachment representations, childhood trauma, borderline personality disorder, and reflective function. Responsibilities include: weekly supervision and training of undergraduate research assistants in coding Adult Attachment Interviews with Childhood Trauma Interview guidelines; the preparation and submission of IRB proposals; conducting structured clinical interviews and Adult Attachment Interviews with both clinical and non-clinical research participants; supervised training in coding Reflective Function from AAI transcripts; participation in weekly lab meetings; and conducting data analysis using SPSS.

2004-2005 Head Research Assistant, Laboratory of Personality and Psychopathology, Emory University  
Principal Investigator: Drew Westen, Ph.D.

Collaborated with faculty and graduate students to launch two grant-funded studies political studies prior to the 2004 elections and to conduct a study examining personality pathology in adult women with child sexual abuse histories. Responsibilities included: 1) undergraduate and graduate student supervision regarding study implementation, data management and reviews of germane research; 2) reimbursement and recruitment of research participants; 3) preparation and submission of four R-01 NIMH grants; 4) manuscript review.

2002-2004 Research Assistant, Laboratory of Personality and Psychopathology, Emory University  
Principal Investigator: Drew Westen, Ph.D.

Involved in execution of two NIMH-funded R-01 studies aimed at developing a clinically-near, empirically derived classification of personality pathology. Responsibilities included participant recruitment, and data entry and analysis.

---

## TEACHING EXPERIENCE

Spring 2006 *Teaching Assistant*, Developmental Psychopathology (Psy 490), Penn State University & Spring 2007

Responsibilities included lecturing to 30+ students during instructor absences, developing and proctoring exams, grading class writing assignments, quizzes, and essay exams, updating and maintaining database of student records, and meeting with students for further instruction as needed.

Fall 2006 *Teaching Assistant*, Psychology of Adjustment (Psy 437), Penn State University

Responsibilities included lecturing to 100+ students during instructor absences, proctoring exams, grading class writing assignments, updating and maintaining database of student records, and meeting with students for further instruction as needed.

Spring 2006 *Teaching Assistant*, Cognitive Development (Psy 423), Penn State University
